

Refund Policy

If Wyoming Mountain Bike Camps, Inc. (WYMTB) is required to cancel one or more of the mountain bike camps, students for those camps will receive a 100% refund. Eventbrite "Event" cancellation policy states: "If an event is cancelled or postponed, refunds will be for the entire purchase—that includes the ticket price and the Eventbrite fees."

If a student is unable to attend the camp for any reason (i.e., injury, positive test for or exposure to another person testing positive for Covid-19, etc.) and cancellation occurs on or before May 31st (the final day of registration), then the refund options are:

1. WYMTB will provide a 50% refund of the total registration cost (Eventbrite fees + taxes + our registration)*; or
2. WYMTB will defer 100% of the camp fee to a 2022 camp.

If a student is unable to attend the camp for any reason (i.e., injury, positive test for or exposure to another person testing positive for Covid-19, non-compliance with WYMTB's Covid testing-vaccination policy, etc.) and cancellation occurs after May 31st (the final day of registration), then the refund options are:

1. WYMTB will provide a 50% refund of the total registration cost (Eventbrite fees + taxes + our registration); or
2. WYMTB will defer 100% of the camp fee to a 2022 camp.

** If WYMTB is **able** to fill the vacated registration spot with another student, we will refund 100% of the camp cost, minus the Eventbrite fees.*
